ACADEMY GOVERNOR VACANCY

Little Gonerby Academy Trust are seeking a new Academy Governor to join our friendly, supportive and forward-thinking Governing Body - could this be you?

Little Gonerby is a single academy trust with 200 pupils in Grantham. We are an innovative, exciting school with a strong vision for the future of education and values rooted firmly in the Christian faith.

Our Governors come to us through a variety of different routes and with a range of different backgrounds, skills and experiences, but they are all volunteers who work together for the benefit of the school. Being a Governor is a rewarding way of making a voluntary contribution to the lives of our children and the local community and an excellent way to utilise and develop your skills.

The role of the governing body is to set and monitor the strategic direction of the school to ensure there is continual progress and development in the education of our children, ensure that the finances are managed correctly and to act as a critical, supportive group to the senior leadership team within the school. We meet on a termly basis and in addition spend some time experiencing and monitoring activity directly by visiting the school.

We are looking for someone who is passionate about our philosophy, shares our ethos and is willing to be a critical friend who can help us achieve our vision. Experience within the education sector would be particularly welcomed.

We can offer

- Full induction and training to support you in your role
- Supportive and energetic governor colleagues, a dedicated staff team and wonderful enthusiastic children
- An opportunity to develop skills in strategic management
