## Academic Year 2024/25

Anglican churches follow a liturgical calendar. This is a pattern for their worship (liturgy) through the year. As a church school, this provides an ideal opportunity to mirror what is happening in your parish / local church. It also provides a colourful and visual way to mark the festivals throughout the year. The liturgical calendar indicates the festivals and seasons of the Anglican Church. This calendar runs for the academic year. It shows the major festivals and saints' days. The festivals for some notable saints for our region are also included (marked with \*). You can click on each item to find out more about it.

Most churches will use different coloured vestments (a priest's clothing) and altar cloths as signs of the season of the church year. In school this can be mirrored through simply changing the colour of cloth on the worship table, or theme a whole display using the relevant colours. Soon you will find that the children recognise the colours and their meaning, that when they enter the worship space they will notice the colours have changed and begin to make links between the seasons and the festivals throughout the year.

## Liturgical Colours
